Dear Parent/Carer

Re: Year 11 External Exams

I am writing to advise you of the external exam arrangements for your son/daughter during this academic year.

The dates for **external** exams are attached. Each student will receive an individual exam timetable prior to any exam(s) they have been entered for, giving details of the specific date/time/room and seat number for each exam.

Please note that for some subjects, the exams are “on-demand” and these dates will be set throughout the year in consultation with the subject teacher.

For your information, the official leaving date for our Year 11 students is 28 June 2019. All students are expected to continue to attend school for lessons in the subjects they have been studying at Key Stage 4 until they have sat their final exam and/or completed their controlled assessments or non-examination assessments.

I would like to thank you for your continued support and should you have any queries regarding the above, please do not hesitate to contact me.

Yours faithfully

Mrs V Curry
Exams Officer
