CHEADLE HULME SIXTH FORM NEWSLETTER

Issue 16 -21st January 2022

Note from the Directors of Sixth Form

This half-term is now fully underway; common assessments and PSHE sessions for Year 12 are ongoing. Some of our Year 13 students took part in the Chemistry Olympiad this week; good luck with the results and good luck also to Matt in Year 13 who is competing for the ARTiculation Prize on Monday. Matt also delivered the TED-style talk this week which had the title “Are we feeling supersonic?” – well done Matt and good luck for Monday!

The assemblies this week, via Teams, were on the subject of Holocaust Memorial Day which will take place on Thursday 27th January. Holocaust Memorial Day encourages us to remember those affected by the Holocaust and the genocides that have followed in Cambodia, Rwanda, Bosnia and Dafur. Thank you, Miss Buck, for your thought-provoking delivery.

During Laurus Life Friday, Year 12 continued with focussed revision as part of their preparation for the ongoing assessments and Year 13 completed activities on Leadership qualities and styles.

The deadline for the return of Work Experience forms is fast-approaching. Well done to everyone who has already found a placement and returned the paperwork.

We hope you find the information in the newsletter useful but if you would like any further information regarding any aspect of the Sixth Form, please do not hesitate to contact the Sixth Form team.

A.L. Edwards

R. Brooks

What’s happened this week? (w/c 17th January – week 1)

w/c 17 th January	Year 12 Common Assessments in classrooms
