

### Netball

We have now selected all of our Netball teams and training is going well. Our Year 8, 9, 10 and 11 teams have had games against St James' and Harrytown. These fixtures have resulted in wins on most fronts, with only a narrow loss for the Year 8b team.

We have entered the u14, u16 and u19 teams into the National School competitions this year, hopefully the girls can produce some great performances and qualify for the later rounds.

### Basketball

Basketball has started again for all years and fixtures will begin after half term. Two teams will be playing in English Schools competitions with the year 8 team playing up in the u14 age group against bigger, more experienced players whilst the Year 7 team get ready to begin their season in the Jr. NBA league.

Extra basketball sessions are also taking place after school in conjunction with Stockport Basketball Club, with the aim of getting more students involved in clubs outside of school.

### Boys' Football

Football has started strongly for us at Cheadle Hulme High School. There have been wins all around for the KS3 teams, most notably, a 6-1 victory for the Year 9's against Bramhall. The year 10 and 11 teams both lost narrowly to Bramhall, 2-1 and 4-2 respectively.

Next up for Cheadle Hulme High School will see the boys take part in the English Schools Cup, with games against Congleton, Priestnall, North Chadderton and Lymm. Good luck!

### Girls' Football

Tuesday nights have seen the return of girl's football and it has been great to see new faces attending in both Year 7 and Year 8. So far we have played Stockport Academy, with both the u13 and u15 teams performing great and recording results of 5-3 and 8-0 respectively. The girls are feeling confident for their upcoming English Schools Cup fixtures against Sale Grammar and Lymm High in the near future and we wish them the best of luck!

## Netball for fun

On a Wednesday night we have a netball for fun club running for Years 7 & 8 students. We have seen numbers grow and have a strong group of 30 girls who attend each week. We are working on positional play within a full game and our understanding of the rules. The plan is to build up to some competitive games after half term against some other schools.

## Rugby

Year 8 made a great start to the season with a hard fought win over Stockport School. This was an excellent way to kick off our first rugby match on the new 4G pitch and was also an opportunity for several new players to make their debut.

There are many more matches to come over the coming weeks and as always we are keen to involve new players, training nights for KS3 are Tuesday and Friday for KS4.

## Badminton

Although fixtures for Badminton have not started, it is one of our best attended extra-curricular clubs. Badminton for girls runs on Monday lunch time (KS3) and Thursday after school (all years), whilst badminton for boys runs on Thursday lunch time (KS3) and Friday lunch time (KS4). There are fixtures for both girls and boys after half term against Stockport School and Kingsway.

## Dance

Dance clubs have made an excellent start with year. The auditions for the school dance company have been ongoing the past couple of weeks, which has provided some fantastic performances. There is a great opportunity to get involved in the dance showcase, where students can create their own work based on this year's theme - 'iconic legends'. The dance studio is open to everyone during Wednesday and Friday lunch times, which would be the ideal time for practicing for your own piece of work.

If you would like further information regarding dance, pop down to the PE office to see Ms Power.

We hope to see lots of new faces attending extra-curricular clubs in the future!
