

July 2017

Dear Parent / Carers,

As I am sure most of you are aware we have had significant and exciting upgrades to our new PE facilities in school during this year and are just awaiting the completion of the 3G and AstroTurf pitches. Our Sports Hall was completely refurbished this year, with the addition of a brand new playing surface, improved heating and lighting and an eye catching climbing wall! The facilities look amazing and we are looking forward to September; offering a full and varied programme both in the curriculum and for extra-curricular activities.

With the changes to the facilities and activities being taught on the curriculum we have made some changes to the uniform policy for PE for September 2017. The significant changes are detailed below and a full list of the PE kit requirements can be found on the reverse of this letter.

Training Shoes – Students will require two pairs of footwear for PE one pair of trainers and one pair of shoes suitable for the 3G/astro turf pitches. A normal pair of trainers will not be able to be worn on the pitches due to Health and Safety reasons and the maintenance of the new surface. All students will have lessons on the pitches during the course of the academic year. Please can we take this opportunity to remind you that the shoes that students wear for school are not suitable for PE.

Tracksuit bottoms – Students **may** wear tracksuit bottoms from October half term to February half term if they have a lesson outside. These must be plain black. We also have Cheadle Hulme High School tracksuit bottoms available at our uniform stockists Those who need to wear tracksuit bottoms for religious reasons should provide a note in September and this will permit them to wear them for the academic year.

Leggings – Students **may** wear leggings for trampolining, fitness and climbing. These leggings need to be plain black sports leggings. We also have Cheadle Hulme High School leggings available at our uniform stockists.

Please find a full list of the PE uniform on the reverse of this letter.

If you have any questions please do not hesitate to contact me in school.

Kind regards,

Mrs Perry
Subject Leader PE
