Cheadle Hulme High School - Centre Number: 33413

Owing to the increased number of Sixth Form students and the increased volume of expressions of interest from private candidates to sit A Level examinations at Cheadle Hulme High School, in addition to the logistics of the A Level examination timetable and the number of seats available, we are writing to inform you that from January 2020 onwards, there will only be provision for **current** Sixth Form students to take their examinations at Cheadle Hulme High School.

We understand that you may be disappointed to hear of this decision which, we assure you, has not been taken lightly. We hope that by notifying you as early as possible that you will be able to locate another centre which does have the capacity to accept private candidates. To help you do so efficiently, we include a link to the AQA website here:
