

CHEADLE HULME SIXTH FORM NEWSLETTER

Issue – 27

2nd May 2025

Note from the Director of Sixth Form

We must start this newsletter with a goodbye to Year 13; Thursday was the last day of lessons and on Friday morning, students had a celebration with their form tutor followed by a wonderful final assembly organised by Mrs Reddy which included presentations, videos, speeches and awards and a farewell ice-cream! We hope students enjoyed the day as much as we did. The study leave period starts next week and students may arrange to see teachers individually if they wish, for help and support. If any other support is needed during the exam period, students should speak to Mrs Reddy in the first instance. The Study Centre will be open as normal, 8.00am – 6.00pm if students want to come into school to revise; please remember that professional dress (including a lanyard) must be worn and students must sign in/out of the building when entering/exiting the site. Locker keys and student ID cards should be returned to Sixth Form reception following their last exam. We would like to take this opportunity to wish all our Year 13 students the very best of luck in their A Level exams and beyond. They have been a pleasure to teach and we will miss them all!

Mrs Dangerfield delivered the final Year 13 assembly on 'Old Laureates'. We want our students, when they leave, to remain connected to the Laurus Trust by joining LinkedIn and connecting to the Laureates and Old Laureates network. We hope that this growing network will provide professional connections that will benefit our students for the rest of their lives. All Year 13 students have now been given the opportunity to attend a Destinations Meeting and the majority of students have received all their UCAS decisions. Students should now be making their firm and insurance choices ahead of the deadline on Thursday 5th June. Finalising these decisions now will also allow students headspace to focus on their upcoming exams.

In preparation for the external exams, Year 12 Core Maths students have attended a Trust Core Maths Day hosted here at CHSF. For Year 12, the majority of electives have now finished and these have been replaced by Life After Laurus sessions. These sessions are designed to give students the opportunity to research their Life After Laurus options and in the coming weeks students will start working on their personal statements and their Degree Apprenticeship and UCAS applications. The EPQ, Oxbridge and Medic elective classes will continue this term.

We have been treated to a stunning exam performance by our Year 12 Drama students on Tuesday evening and a fabulous Dance Showcase on Wednesday evening with performances from students across all year groups. Congratulations to everyone involved! Well done to our A Level Art and Photography students who have completed their practical exam this week and also our A Level PE students who have taken part in a moderation day.

Our programme of Sixth Form TED talks has continued this term with Guillermo exploring 'The importance of philosophy in economics'; another wonderful talk and presentation – well done Guillermo!

If you would like any further information regarding any aspect of the Sixth Form, please do not hesitate to contact the Sixth Form team at sixthform@chhs.org.uk. Check out our Social Media updates by visiting
