Post Results Services – Summer 2023

The following information explains what may happen following an enquiry about the result of an examination. Please read this information carefully. It could have serious implications for your future.

Reviews of Results (RoRs)

If your examination centre makes an enquiry about the result of one of your examinations, after your subject grade has been issued, there are three possible outcomes;

- Your original mark is confirmed as correct, and there is no change to your grade
- Your original mark is raised, so your final grade may be higher than the original grade you received
- **Your original mark is lowered, so your final grade may be lower than the original grade you received**

There are three main options:

1. **Review of Marking** - This reviews the original marking and also includes a clerical re-check. The deadline is midday **Wednesday, 27 September 2023**.
2. **Clerical Re-check** - This checks all the clerical procedures e.g. all questions have been marked, totals correctly added up and correctly recorded. The deadline is midday on **Wednesday, 27 September 2023**.

Candidates must complete and sign a Candidate Post Results Service Request Form before any review of results can be made. This indicates that you have understood what the outcome might be.

Access to Scripts (ATS)

Two services are available:

1. **Priority Access to Scripts** - To help you decide on a possible review of marking. The deadline is midday **Wednesday, 6 September 2023**.
2. **Non-priority Access to Scripts** - This is useful if you want to find out where you lost marks and how to improve if you plan to re-sit the paper. (Once you have the original script, your result cannot be altered, even if you discover it was incorrectly marked). The deadline is midday **Wednesday, 27 September 2023**.
