

### Study Skills

**Self-Testing** as a strategy for revision

Practice recalling content

Practice
applying
content in an
exam context

- Know the content you need to cover
- Create a check list to monitor your revision of topics
- Choose a method to revise the content

B2 Topic	1	2	3
Evolution			
Enzymes			
Ecology			
Sustainability			
Food Chains			

### Where can I find help?

**Teachers** 

Practice recalling content

Practice
applying
content in an
exam context

# Practic Festing.

# Distributed Practice

# SELF TEST!

### START EARLY!

## Practice Recalling theory Understand content

**Test** yourself on what you should know

- Mind Maps
