

Cheadle Hulme High School School Uniform Policy

Introduction

It is our policy that all students wear school uniform when attending school, or when participating in a school-organised event outside normal school hours. Our policy regarding school uniform is based on the notion that school uniform:

- promotes a sense of pride in the school;
- engenders a sense of community and belonging towards the school;
- is practical and smart;
- identifies the students with the school;
- is fair and makes students feel equal to their peers in terms of appearance and removes peer pressure to dress in 'designer' fashions;
- is regarded as suitable wear for school and good value for money by most parents/carers;
- can assist identification of strangers on school premises;
- is designed with health and safety in mind.

Following a recent consultation process with parents/carers and students, we have introduced some changes to the CHHS school uniform. From September 2017 the new Year 7 intake and the Year 10 students must wear the uniform listed below. Students in Years 8, 9 and 11 can continue to wear the current uniform for the 2017/18 academic year however, if replacement jackets or skirts are required, the new style must be purchased.

Non-compliance with the School Uniform Policy

The enforcement of the decision to adopt a school uniform is the responsibility of the Headteacher as part of her overall responsibility for the day-to-day running of the school and for the maintenance of discipline.

We have a 'zero tolerance' approach to incidents of non-compliance with our School Uniform Policy. In the event of any student arriving at school without the correct uniform:

- We will seek consent from the parents/carers to send the student home in order to address the issue. The student should then return to school wearing the correct uniform.
- If parents/carers are unavailable then the student will be kept in isolation for the duration of the school day. This would normally be with the student's form tutor. Appropriate work will be provided by the student's teachers throughout the day. Contact will be made that day with parents/carers to ensure that the student wears the correct uniform the following school day.

Jewellery

For reasons of health and safety we do not allow students to wear jewellery in our school. We are aware that there may be occasions when some students request to wear religious symbols. These will be considered on an individual basis.

Watches may be worn.

Medical alert tags must be worn at all times.

Accessories

Only badges of merit or office, awarded by the school, may be worn as part of the school uniform. We request that school bags and belts are sensible and in keeping with the rest of the school uniform.

Footwear

We want students to grow into healthy adults. We believe that it is dangerous for students to wear shoes that have platform soles or high heels. For reasons of health and safety we do not allow them to be worn in our school.

Neither do we allow students to wear trainers to school. Whilst appropriate for sport and leisurewear, this footwear is not in keeping with the smart appearance of a school uniform. We require all students to wear shoes as stated in the uniform list.

Hair

We recognise that there will always be a variety of hairstyles worn by students. Whilst remaining tolerant of most styles, we will treat as a breach of discipline haircuts that are excessively short - Number One cuts; haircuts where patterns, stripes or letters have been cut into the student's hair; or hair that is dyed in bright or unnatural colours. We may ask students with long hair to tie their hair back in certain situations for health and safety reasons.

Make up

Make up is not permitted in Years 7 to 9, discrete make up is allowed in Years 10 and 11. Acrylic nails are not allowed in school, neither is the wearing of nail varnish. Nails should be kept to a sensible length that will not affect participation in PE or practical subjects.

Uniform outside school

Every student must wear school uniform with a tie, for journeys to and from school, in school and for all official school functions. This will include home and away matches and all school trips *unless* a teacher gives specific instructions to the contrary. Trainers may be worn for casual games during lunch time. However, all students must wear correct shoes for lessons and journeys to and from school.

Discrimination on the grounds of race/religious belief

The school's governors have regard to their responsibilities under the *Equality Act 2010*. We have a duty to be sensitive to the needs of different cultures, races and religions and must accommodate their needs.

The role of parents/carers

We ask all parents and carers who send their children to our school to support the school uniform policy. We believe that they have a duty to send their children to school correctly dressed and ready for their daily schoolwork. It is their responsibility to ensure that their child has the correct uniform and that it is clean and in good repair.
